

WELCOME THE HOLIDAYS IN CHIPPEWA LAKE

SANTA COMES HERE FIRST!!!

Each year, Santa makes a special visit to the children of Lafayette Township, Chippewa Lake, & Gloria Glens. Along with the help of his firefighter elves, Santa delivers gifts door to door. This year's event will be held on **Saturday December 17, 2016**.

GIFT COLLECTION: Parents may drop off gifts for their children on the Tuesday (12/13) at Fire Station #1 (Lafayette Twp Complex) only and **Thursday (12/15)** at Fire Station #2 (Chippewa Lake). Gift collection times will be from 7pm to 9pm. A minimum of a \$5 donation per gift will help benefit the Lafayette Township Firefighter's Association in their on- going support of the fire department and community.

Package Requirements:

Packages are ordered and categorized by address. Therefore, we ask that all gifts be secured together, in a bag or box. 1 package per stop. HOLIDAYS WITH PRIDE

Let's light up Chippewa! It is so wonderful to have a community where you can walk safely and freely. This time of year, we all love to see the holiday decorations put up by so many residents. It would be great to see every house with a cheerful, welcoming display- it doesn't have to be big at all!! We all know how the children's eyes light up when they see decorations; drive or walk; it is a fun activity and we can all participate. PRIDE is having a walking caroling party **Dec 18th** in lieu of bonfire and will meet at the Village hall at 7:00 for those who wish to participate. We would also like names of people or shut ins who would like us to sing to them. We are looking for residents to participate. They can email Pam with addresses. lakeflower@neo.rr.com
