

## **POST LABOR DAY MESSAGE**

“Thanks to all the people who participated in the Summer’s End Labor Day Extravaganza this past Sunday. Our hearts go out to the Ski Team who were not able to perform due to lake conditions. But we know they practiced long and hard and we are grateful for and proud of them. A special shout out to Scott and Steve who provided great sound for the event. Thanks also to Pam and the Pride Committee for the popcorn and snow cones. We appreciate all the folks who donated items big and small and Tom who auctioned off the more expensive ones. The proceeds are being divided 50-50 between our local Fire and Parks Departments. Last year, some of those monies went toward placing the basketball hoop at the Town Hall. I also want to thank our much-loved mayor, Joanne Dodaro, for offering us at CrossPointe the opportunity to help the community by providing leadership for this event. (After all, our Purpose Statement is ‘Sharing God’s Grace with OUR COMMUNITY.’) If anyone has any comments or advice on how we can make it better next year, please e-mail me at [randykmeyer@hotmail.com](mailto:randykmeyer@hotmail.com).”

“This coming Sunday, September 9<sup>th</sup>, is “Blessing the Children” Sunday. If anyone desires to have their children or grandchildren to receive a blessing of recognition and prayer, please bring your kiddo’s to worship at 10:30am. At some point during the service, the kids will come up front to receive an individual blessing from the pastor, a corporate blessing from the congregation and a free bible book. If you have any questions, please call Randy at (330) 723-9009.”
