

POLAR BEAR

Mother Nature is working overtime to make sure that there is great ice for this year's event. All the volunteers have been hard at work planning for a safe and successful event. Early reports indicate that this year's costumes will be the best ever...and there are more people registered than ever before.

THE BIG QUESTION...is who will be the QUEST for the BEST in 2019? This award goes to the TOP fund raiser for this year's event. We know that all of you have been working hard to get sponsors and donations to support you. The Chippewa Lake Lions Club is very proud of how the money raised here supports those in need within our community through these partnering agencies: The Society of Handicap Citizens, Cross Pointe Community Church- Meal Program, Church at the Lake- Food Pantry, Lafayette Twp. Fire Department Association, and the Chippewa Lake Lions Club. We thank everyone for their participation.

You can pre-register and get all of the information on line
