

THE VILLAGE SPRING UPDATES ABBREVIATED...

Normally, a Spring Bulletin from the Village is distributed listing all of the events and activities planned, as well as helpful information for Village Residents. The Bulletin will be released later than normal due to delayed planning due to the Corona virus. However, there are some specific items that you need to know.

PARKS, LAKE ACCESS, PERMITS, ETC.

In accordance with Governor DeWine's orders, the beach will open on May 26th.

The 2020 Watercraft Sticker, Boat Ramp Key, Parking & Lake Access Pass Application has been mailed out. If you are a resident, have not received this form and wish to obtain any of these items, you may also access the form on the Village's website on the Parks page. www.chippewalake.net

PRIDE SOCIAL PROGRAMS

As most of you know, our local Village volunteer organization which hosts lots of activities is PRIDE. They have been watching and waiting, as all of the rest of us have, to determine how to deliver some fun in the Village with new rules. The activities will be announced all during the summer, as the weather and virus rules dictate. Here is the first one!

GOLF CART PARADE

Yes, we will show our spirit with a golf cart parade on **SUNDAY MAY 24 at 7 PM**. We will meet at the village inn at 6:30 to line up with social distancing being practiced. We feel that this would be a good event that could give households and families something to do together.

The theme for the parade is **Celebrate Our Heroes**: These heroes could include doctors, nurses, firemen, policemen, postman, truck drivers, batman, superman, parents surviving home schooling etc. Be creative.

We will have the parade go down Beachside but we also will weave up and down the Chippewa streets to celebrate the start of summer! We are hoping people will be outside cheering the parade participants.

We will **NOT be having the ice cream social** because of social distancing.

Please consider decorating your golf cart to make this a success! It can be as simple standing up for America with American flags decorating your golf cart. Let's make this the biggest parade yet!!!

RECOVERY GROUP

The CrossPointe Recovery Support Group meets online! Fridays at 7PM. If you would like more information about this, please call or text Chuck at 330-321-3098.

KID'S FISHING DERBY

This is tentatively planned for June. We will keep you posted.

May 19, 2020

Chippewa Lake Closed Due to Flooding

As of May 19, the park district has closed Chippewa Lake due to flooding. In keeping with a longstanding safety protocol implemented by the villages of Chippewa Lake and Gloria Glens, as well as the Medina County Health Department, Medina County Sanitary Engineer, and the park district, E. coli testing must take place before the lake can be reopened. The lake will reopen when conditions allow. Please check medinacountyparks.com for updates.
