

## **LET'S HELP!!!!**

***Chippewa is a special place where people really pull together when someone needs help. The Hall family suffered a devastating loss of property and pets when their house on Lake Rd. in Chippewa Lake, burned this week. Many people are reaching out, and I am trying to summarize how anyone can help. Here is what I have so far.***

## **MONEY DONATIONS**

The fund has been set up and checks can be made out to the HALL FUND.

Donations can be dropped off at any Fifth Third Bank or can be placed in the drop box at Lafayette Twp. Safety Services Bldg. or Lafayette Town Hall.

(There was an additional private mail address provided in Lafayette Press Release , but the address was unclear, so I am not including it at this time.)
