THE LOSS OF A COMMUNITY SERVANT And FRIEND

Brent A. Osborn, age 59, passed away unexpectedly on December 27, 2020. He was born in Jackson Co., Missouri on August 11, 1961. Brent was a long time resident of Chippewa Lake and served on the Village Council for many years. He could be counted on for helping with many responsibilities and tasks to help the Village improve. He lost his wife, Cathy, who was the long term Clerk of the Village about two years ago.

Together they epitomized what we all care about in our Village. Services are private. In lieu of flowers donations can be made to your local hospice and or animal shelter. Online condolences may be left at waitefuneralhome.com.

LIONS CLUB UPDATES

The Lions Club would like to thank the community for supporting them this year, especially since many fundraisers had to be canceled. However, with your help and donations, Lions members were able to provide 80 food baskets to community families for the holidays. The Club is looking at continuing challenges in 2021. Our largest fund-raiser has some changes this year. We hope you will join us in raising funds in a new and exciting virtual format... read on.....

POLAR BEAR EVENT IN CHIPPEWA LAKE RE-IMAGINED FOR 2021.

Hi Polar Bear participants and fans,

We wanted to provide an immediate news release that although we are unable to have the Annual Chippewa Lake Lions Club Polar Bear Run/ Jump this year, you are the FIRST to be informed that a new and exciting virtual event is taking shape.

WHERE IS CHIPPY?

Chippy, the beloved Polar Bear host of the annual Chippewa Lake Lions Polar Bear Jump has gone missing. It is believed that the “stay at home restriction” imposed by the coronavirus has forced Chippy into hibernation. However, the search is on to locate Chippy, led by the intrepid Detective Columbo. It is hoped that Chippy can be found and convinced to “save the Polar Bear Jump.” Humans may be restricted from jumping, but POLAR BEARS are NOT!! We are encouraging every Polar Bear devotee, family, and friends, to help us find and convince Chippy to jump. Many worthy organizations are in need of funds which they would normally get from Polar Bear donations...and we want to find a way to help them. You can help, too!

WHAT DOES THIS MEAN FOR YOU?

You will be the first to be invited to join our new event, including your family and friends. everyone can participate, **without jumping in the cold lake!** There will be excitement for everyone, and some outstanding prizes. Stay tuned for more bulletins coming soon!!!
