If you would like to enjoy this delicious meal, please observe these very important instructions: come to CrossPointe between 5 and 6PM on Friday, March 26th and follow the instructions of the volunteer at the entrance to the parking lot. A CrossPointe volunteer will come to your car to ask how many meals you would like to have. Another volunteer will then bring the number of

meals you need out to your car. This procedure is being enacted to ensure your safety as well as that of our volunteers during this coronavirus outbreak.

CrossPointe is located at 7230 Lake Road, near the intersection of Chippewa and Lake Roads. If you need more information, please call the church office at 330-952-4309. This meal is sponsored in cooperation with the Chippewa Lake Lions Club.

PLEASE NOTE- CrossPointe has generously given this meal since 2012.....but the pandemic has given people additional challenges—please read the heartwarming story below, about how far reaching the efforts of this Church and its members have gone to help others....

Recently one of the ladies waiting in line to pick up meals told Pastor Randy about several of the folks who are not able to leave their homes. With limited income and limited access to hot food, she knew how much the free hot meal would help them. CrossPointe volunteers placed ten take-out meals in her car for her to deliver to their homes. Until the time when the church can offer the meal indoors, they will continue to offer it as a take-out meal. Since 2012 these free community meals and acts of kindness have been made possible through the generous donations that have come from the Lions Club Polar Bear fundraiser events. From the feet of those who plunge into the freezing cold waters your generosity and kindness brings great warmth, every month, to so very many.
