

WATCH Special Edition

The **Chippewa Lake Lions Club Foundation** provided almost \$40,000 for charitable community needs in 2020. Many of the funds came from the Polar Bear Jump held in January 2020 at Chippewa Lake. Sadly, this 10 year event had to be cancelled for 2021 due to COVID.

This cancellation jeopardizes critical funding required to support individuals and families in need. With the help of our partner charitable organizations, **The Society** and **CrossPointe Community Church**, we have provided funds, food, and services to offset hardships created by unforeseen emergencies. For example:

- Comprehensive services to disabled citizens
- Funding to food banks and charitable meal providers
- Support services for youth in need
- Grief and divorce counseling
- Safety net funding for fire, accident, illness and other emergencies
- Special events like the July 4th parade, one of the oldest events in the area
