JULY 4 PARADE IS ON!!!!

The Chippewa Lake Lions Club Foundation is excited to announce the resumption of the historic July 4 parade! Thanks to everyone who helped with the "Where's Chippy" fundraiser for the Lions Club Foundation earlier this year, which provided funds to sponsor the parade. The theme of "Red, White and Blue" has been selected for the parade this year, which will take place on July 4 at 1 PM. The parade starts at Gloria Glens Town Hall and ends at Lions Club Park in Chippewa. This is one of the oldest and largest parades in the area, and is a great showcase for clubs and businesses. Sponsorships are available at several monetary amounts. Pre-Registration is needed. You can obtain forms and information from Joanne Dodaro, at 330 769 3895. Registration, sponsorship and all other information will be posted on the Lions website, after 5/23. www.chippewalakelions.com

BOATING COURSE!!!

We are excited to announce that the registration for the Spirit of America Youth Boating Education Course at CYC will be opening on Tuesday, April 6th at 8:00 am. We wanted the members of CYC to be the first to know so that you can pass along this information to anyone you know between the ages of 12-15 who may be interested. We are only accepting 20 students for our inaugural class this year and we expect the spots will fill up fast.

Students will earn their Ohio Boating Education Certificate, participate in drowning prevention activities, and learn the fundamental principles of operating a sailboat, various paddle craft, powerboats, and personal watercraft (jet skis). You can find the link to the registration and all the details on the CYC webpage [here](#).

The students and instructors of the program will be using the club during the following times. These dates have also been listed on the [Club calendar](#):

- **Thurs-Fri, June 10-11 from 9-3 pm:** Student/Parent Orientation, and Ohio Boating Education Course
- **July 13-17 from 9-3 pm:** On-The-Water Instruction

We look forward to introducing this program to the community and appreciate the support of our members as we get it off the ground.

Thank you all!
