BREAKFAST!!!!

Lafayette Township Firefighters' Association

Lafayette Township Fire Department

Sunday May 9 at 8:30 AM EDT – 1 PM EDT

54–63°F Rain Showers

Well since we were unable to do our full-blown February Breakfast this year, we want to do something for the community as a thank you for all the extra support you have all provided during this last year.

We would like you to join us for a Drive-thru style pancake breakfast. You will have your choice of three meals. The meals will be boxed and delivered to you car-side.

The menu will consist of the following:

- three pancakes and three sausage links
- three pancakes and four strips of bacon
- 16oz of sausage gravy and 2 buttermilk biscuits.

Upon entering the Safety Service Building, please proceed around to the back of the building. Please pay attention to all other traffic. We will have members out there helping to direct you. You will then enter the building through one of the bay doors where someone will take your order. You will then pull forward and await for us to deliver it to you. You will then exit the building and proceed to the exit. Again, please be aware of others entering and exiting!

There will be no charge for this event, but we will happily accept a donation if you are so moved!

CHIPPEWA FLAGS

Bill Glasenapp has once again volunteered to order those snazzy Chippewa Lake flags. You can get yours by contacting him and putting in your order. These make great gifts!! People can call 239 699 5651 to make arrangements to pick up. Payment method is optional. \$40 per flag.

CHIPPEWA LICENSE PLATE
