

WATCH - MAY 5, 2022

It is up to us to hasten the spring weather!!!!

Here are a few things we can all do to help get in the mood, even if the weather is slow to change!!

MOTHER'S DAY PLANT SALE

The annual Mother's Day Plant Sale is going to be held on Saturday, May 7, from 9AM-3PM. Stop by the vacant lot at Chippewa Rd and Lake Rd to see the bounty of beautiful plants, flats, and hanging baskets. Plants are grown and provided by Boyert's, so save yourself the trip up the road with all the crowds. Come support your local Chippewa Lake Lions Club Foundation. Give a gift to a loved one, or one for yourself- better yet, buy a whole bunch of colorful spring plants!... and you will be helping your community! (checks or cash only)

NOTE- Your support of the Lions Club Foundation recently helped families of an EMT/ firefighter in our community who lost his life on the job, and another, who was injured on the job.

MORE SPRING PLANTS

The Briarwood Beach Garden Club's annual plant sale will be on Saturday, May 14, from 9 am - 2 pm at the Chippewa Community Center - Community Garden (24 Circle Crest Dr). We will have locally grown perennials and annuals for sale. Stop by early for the best selections. Members will be on hand for your gardening questions. (This is not the Lion's club sale.)
