YOUTH LITERACY

The Ohio Governor's Imagination Library was founded in 2019 with financial support from the Ohio General Assembly and affiliates across the state. The program was initially only available in several counties, and became a statewide program, available in every county, by November 2020. All kids between birth and age 5, regardless of where they live in Ohio, are eligible to be enrolled in the Ohio Governor's Imagination Library. In July 2022, the Ohio Governor's Imagination Library transitioned to Dolly Parton's Imagination Library of Ohio and updated its logo. This transition provided additional consistency, clarity, and brand recognition allowing the nonprofit and affiliates to continue promoting the program and increasing enrollment.

This event is the Lions' largest fundraising event. During the year, the Lions provide aid and assistance to deserving individuals as well as organizations which support our community. The "event " is still open to donations. The after party which is usually held at the Village Inn, is postponed until the Village Inn re-opens. The after party also raises funds for Lions efforts, through 50-50, silent auction, and other fun events.

On behalf of the Lions Club Foundation and participating organizations, a BIG THANKS TO EVERYONE WHO DONATED , BOUGHT RAFFLE TICKETS, PARTICIPATED, OR SPONSORED this worthy event. Your contribution works magic in our community.

THANKS TO EVERYONE HELPING THE TEAM AT THE VILLAGE INN SURVIVE AND REBUILD. Their GoFundMe page is still active, and can be accessed <https://www.gofundme.com/f/tz7pwu-the-village-inn-recovery-fund>
