GARDEN CLUB ORCHID SEMINAR

We would like to extend an invitation to the village residents and guests to attend our March meeting. Our program speaker is Edgar Stehli of Windswept in Time Orchids.

He has supplied orchids for the Orchid Mania at the Cleveland Botanical Garden, sells to florists and greenhouses and sells by appointment at his greenhouse. He has entered orchid shows across the Midwest and has won numerous awards... and he tends over 8000 rare and tropical orchids in his home and adjacent greenhouse.
