### **FLOWER POT DECORATING---NEED YOUR CREATIVE AND ARTISTIC HELP!!**

(from Pam)

*I can't believe summer is almost over and we are talking about fall, but it is right around the corner. We will **begin to decorate our flower pots for fall Oct 1.** If you have not participated before here is what you can do:*

Pots can be decorated with fresh or artificial material. They can be decorated with a fall or Halloween theme. Please keep them family friendly.

We ask that you take out the plants that are in the pots as they will not last till the end of the Oct. If you can't dispose of the plants please put the plants in a bag by the pot and we will pick them up.

Please remember that **there is a lot of wind by the lake so make sure the decorations are secured in your pot.**

**If you would like to decorate a pot please let me know and I will assign you a pot.**

If you would like a certain pot I will do my best to assign that pot.

**P.S.** Our next Pride event is the **Square dance to be held Friday Oct 4th** at the Sailing club so mark your calendars. More details later.

Thanks again for all you do to make Chippewa so special!!!!
