### **COMMUNITY FUN AND FUNDRAISER- June 7**

CrossPointe Community Church is celebrating its 25 year anniversary this year, and we could not think of a better way to celebrate than by honoring our mission statement, which is to share God's grace with the community. And how will we do that?

CrossPointe is hosting a fundraiser for the Chippewa Lake Historical Society...an organization dedicated to preserving the rich heritage of this community, which we feel so privileged to a part of.

So...save the date...and head over to CrossPointe on June 7<sup>th</sup> to participate or cheer on your favorite participant in a cornhole tournament starting at 1PM. First prize for the winner of the tournament is \$200...second prize is \$100...so competition will be fun to watch! Eric Neiger will be bringing some of his special carnival games for kids and adults alike to try their hand at. And CrossPointe's band, Bridging the Gap, will be playing throughout the day. The Historical Society will have all kinds of Chippewa Lake memorabilia on display, and some items for sale. A pig will be roasting during the day, and dinner will be served starting at 5PM. No charge...but they will accept donations for the Historical Society for the dinner. Silent auction items will be on display all day for you to take a look at and place a bid on...things like themed baskets of goodies.... boat rides on our beautiful lake...and all kinds of Chippewa Lake memorabilia. Bidding will close at 6:30PM...and then the fun really begins, as we hold a live auction on a few special items. Promises to be a 'boatload' of fun...and remember...all proceeds benefit the Chippewa Lake Historical Society! So, keep the date on your calendar... Saturday,

June 7<sup>th</sup>. Visit the CrossPointe website, [www.crosspointe.cc](http://www.crosspointe.cc) for more details or to register for the cornhole tournament. Hope to see you there!

Date: June 7th - 1pm to 6:30pm.
