Tamitha 330-416-3415

URGENT APPEAL

Help Us Keep Learning Alive in Medina County!

Project: LEARN is facing a serious challenge—our federal funding has been frozen, stripping away the vital resources we use to provide free GED, ESOL, and adult literacy programs to the people who need them most.

This sudden loss impacts local parents working toward their GEDs, immigrants rebuilding their lives, and community members striving for a better future through education.

We are a small, local nonprofit—and right now, we're relying on YOU.

If you believe in the power of second chances, if you believe that literacy and opportunity should be accessible to all, please consider donating today.

<https://www.projectlearnmedina.org/donate>

Every dollar helps keep the lights on, the classes running, and the doors open to hope.
