Our annual open trick or treat takes place on Friday October 31, from 6- 730 PM

LIONS AWARD

AN AWARD FOR TEAMWORK

The Ohio Provider Resource Assn. has just awarded the Chippewa Lake Lions Club and Foundation the OPRA Community Partner Award of the Year for 2025. This organization represents 200 providers which support 40,000 Ohioans with intellectual and developmental disabilities. The Lions Club has proudly partnered with The Society for Handicapped Citizens for 13 years, helping to provide funding for recreation activities to enhance the lives of their clients. We are very proud of this honor and the support of The Society

WE ARE SURROUNDED BY PARKS

Did you ever stop to consider that Chippewa Lake residents are lucky to be nestled in the midst of quite a bit of parkland , which protects us from nearby development?.....Consider supporting our parks.....

“There are many exciting things happening in our parks. The park district has been celebrating sixty years of work in Medina County to provide safe, clean parks and trails throughout the county. This weekend the latest addition to the park district, Shotwell Gardens at Lake Medina, will open to the public.

The parks and preserved lands in our county provide not only a haven for wildlife but a place for us to enjoy nature and the calming effect that is has on us as we visit these places. All of this is made possible by the real estate tax levy that supports the operation and improvement of Medina County Parks. That levy is set to expire at the end of this year. A levy will appear on the ballot this fall that will provide support for Medina County Parks for the next ten years. It proposes renewal of the existing one mill levy with an increase of .25 (1/4) mill. Attached you will find a copy of the plan that

outlines how this funding will be spent from 2027 through 3036. Please take time to review this information.”

Additional information can be found at www.supportmedinacountyparks.com.

Election Day is Tuesday, November 4, 2025. Don't forget to vote!
