

The Medina County Solid Waste District would like to, once again, extend an opportunity to your community to bring bulk trash collected during a community-sponsored clean-up program OR by use of the voucher program, to our District's facility located at 8730 Lake Road, Seville, at a reduced gate rate of \$50.00 per ton.

Bulk trash includes furniture; rolled and tied old carpet and carpet padding; home repair materials; large toys; small toys or other small household items. Yard waste, Specialty or Hazardous Waste, and Tires **are not** accepted as part of the Community Clean-Up or Voucher Program. **The District's current pricing and information about our Household Hazardous Waste and Specialty Waste programs are available on the District website, RecycleMedinaCounty.com.**

This clean-up program will be in effect from April 20, 2026 through June 19, 2026. Please contact Heather Shieff, Administrative Assistant, at (330) 769-0289 or email hshieff@medinacounty.gov, with your collection event information. Accounts are billed monthly. **It is important that you provide us with the date(s) of your collection event; the solid waste hauler you will be utilizing; and the date(s) you anticipate these vehicles will be arriving at the district's facility for disposal.**

If a community is unable to sponsor a clean-up event, the voucher program is another option to offer residents. The voucher can be utilized by a resident of your community to dispose of bulk trash at the District's facility for the same discounted rate of \$50.00 per ton (with a minimum of \$6.00 charge for 200 pounds or less). One voucher per household. Please contact Heather Shieff at 330-769-0289, or email hshieff@medinacounty.gov for additional information on the voucher program or to request vouchers. At that time, you can also request for the community to be invoiced or require payment to be made by the residents during the open dates of the program.

Sincerely,

Heather Shieff, Administrative Assistant

Medina County Solid Waste District
