A LIONS CLUB THANK YOU

The Chippewa Lake Lions Club and Foundation are THRILLED to announce the results of our 16th Annual Polar Bear Jump & Fun Run/Walk...

WE RAISED OVER \$80,000 for our local community!!

Words truly cannot express how grateful we are for every sponsor, donor, participant, volunteer, and supporter who made this possible. This event is a testament to the incredible generosity of this community & every single dollar raised goes right back where it belongs, supporting the organizations doing meaningful work every day and the neighbors who could use a little extra help.

Year after year, you show up, you jump in (literally) & you make a difference.

Thank you so much. We couldn't do this without you.

HELP NEEDED- Chippewa Lake Ohio Historical Society.

We hope this message finds you well and feeling as excited as we are about the progress toward opening our museum. Every week brings us one step closer, and with your help, we can keep that momentum going. We are currently seeking volunteers who have experience—or even just some familiarity—with tagging, cataloging, or organizing historical artifacts. As we prepare our collections for display, this work is essential to ensuring that each item is properly documented, preserved, and ready to be shared with the community. If you have background in:

- Cataloging or inventory work
- Museum or archival practices
- Tagging, labeling, or organizing collections
- Or simply a love of history and an eye for detail

Volunteers can assist on a flexible schedule, and we will provide guidance and support every step of the way. Even a few hours can make a meaningful difference. If you're interested or would like more information, please reply to this email or reach

out to us directly. We would be grateful for your help. Your involvement brings us closer to opening our doors and sharing the stories of Chippewa Lake with visitors of all ages.

Thank you for your continued support, enthusiasm, and dedication to preserving our community's history.

SCHOLARSHIP OPPORTUNITY

The Medina County Board of Developmental Disabilities (MCBDD) is proud to offer a scholarship opportunity for local Medina County high school students. The scholarship was founded to recognize and support young persons who are considering a career which may serve individuals with developmental disabilities. The field of developmental disabilities is faced with a growing crisis in its workforce. Finding and recruiting trained professionals for positions that range anywhere from

administrators and therapists to educators and direct care workers is a daily struggle in the field. The MCBDD hopes to address this workforce shortage by encouraging students to make an impact through public service and help improve the lives of thousands of individuals with developmental disabilities. The MCBDD Donor Scholarship is offering one \$1,500.00 scholarship this year. Applicants must be a current Medina County high school senior and have been accepted into an accredited program in a field which may provide services to individuals with developmental disabilities, (i.e. special education, physical therapy, occupational therapy, speech therapy, social work, behavioral sciences, etc.). Applicants must also demonstrate involvement in, or provided services to, individuals with developmental disabilities through activities such as Special Olympics, classroom activities, volunteering, job shadowing, etc. Interested students must complete and submit a MCBDD Donor Scholarship application form before Tuesday, March 31 to be considered. Forms are available by calling 330-725-7751 ext. 273 or at www.mcbdd.org.
