

## **AUTUMN FUN AND BEAUTY**

Show off your creativity and enthusiasm for fall and the upcoming holidays. Anyone can decorate a pot with Halloween or fall themes, and can use artificial, fresh or a combination of both. Decorating will start on Oct 1. We have extra scarecrows if needed. To reserve a pot or for questions, contact Pam: [lakeflower@neo.rr.com](mailto:lakeflower@neo.rr.com).....Pots along lake must be wind proof as there is a lot of wind off the lake.....most pots have poles to secure items to or we will make sure there is a post, if you need one. Need some volunteers for pots on Bungalow Bay, too. Be creative--- let's make Chippewa a fun and beautiful place to be for autumn.

## **ANNUAL SQUARE DANCE**
